## Ballot to Elect MTA Athlete, Coach, and Referee Representatives

The MTA is holding elections for Athlete, Coach, and Referee representatives. The MTA's Athlete, Coach, and Referee representatives serve as voting directors on the Montana Taekwondo Association Board of Directors and represent the overall membership in MTA matters at MTA Board of Directors meetings (held annually). The role of the MTA's Athlete, Coach, and Referee Representatives is extremely important as the MTA Board of Directors selects the MTA's leadership and sets the course for the MTA by deciding on the programs and priorities to be carried out by the MTA Executive Committee during the following year. All MTA members are eligible to vote. Parents of members under age 18 may vote on the behalf of their children. Your eligibility to vote will be checked against the membership list posted on the MTA Web site at [www.montanataekwondo.org](http://www.montanataekwondo.org) as of June 30, 2009. Representatives selected will serve until midnight, December 31, 2010.

**To be counted, you must mail or scan and email your ballot to the MTA Secretary/Treasurer no later than June 30, 2009. Results will be announced July 1st on the MTA Web site.**
