MTA Sparring Rules: Position of Corner Judges
MTA Sparring Rules: Scoring Methods

- The MTA recognizes electronic scoring as its scoring method (i.e. the use of computerized electronic scoring equipment and software).
- In the case of a total computer failure the paper method may be permitted.
MTA Sparring Rules: Scoring Methods (Cont’d)

Electronic Scoring: Judges use hand held electronic controllers to award scores:

- The **blue** controller is always held in the right hand, the **red** in the left hand.
- Two or more judges must agree on the same competitor scoring either one or two points within the assigned computer programmed time frame (currently 1 ½ seconds).
- Scores are immediately displayed on the monitor screen.
